Read Directions

Net Weight:
8 ounces (226 grams)

DIRECTIONS FOR USE:

Insert one **AQM** Pellet, with or without container, into the PROportioner jar and use when hand watering and/or syringing. One **AQM** Pellet will cover 1 to 2 average size greens, up to 12,000 ft² (1,114 m²). Apply **AQM** Pellets as needed.

The flow of water through the PROportioner should follow the molded arrow. Please note some applicators have the flow opposite the molded arrow.
